

HORIZON 2020 MSCA-RISE-2017 Project No. 778070

Transition metal oxides with metastable phases: a way towards superior ferroic properties

The Final meeting (22-23 of June 2023)

Agenda

Time	Activity	Location
22 June	Arriving day	Vilnius, Lithuania
18:00-20:00	Registration. Welcome.	Institute of Chemistry Vilnius University, Naugarduko str. 24, Room No. 237
23 June	Final meeting	
9:30-9:40	Opening of the Meeting. Welcome speech from the Administration of Vilnius University, Director of Institute of Chemistry Assoc. Prof. Dr. Lina Mikoliūnaitė	Institute of Chemistry Vilnius University, Naugarduko str. 24, Auditorium of Prof. Andrzej Sniadecki
9:40-9:50	Opening of the Meeting. Welcome speech from the Administration of Project, Dr. Anna Lukowiak	
9:50-12:00	Discussion on the main results obtained	
9:50-10:10	Presentation of INTIBS	
10:10-10:30	Presentation of Hereon	
10:30-10:50	Presentation of Uni. Aveiro	
10:50-11:00	Coffee Break	
11:00-11:20	Presentation of Inst. of Physics	
11:20-11:40	Presentation of Nanoceramics	
11:40-12:00	Presentation of VU	
12:00-13:30	<i>Lunch</i>	
13:30-14:30	Summary	Institute of Chemistry Vilnius University, Naugarduko str. 24
13:30-13:50	Summary of all project activities (A. Lukowiak)	
13:50-14:20	Closing remarks. Reporting issues. Future plans	
14:30-18:00	<i>Free time</i>	
18:00-21:00	<i>Dinner</i>	Beerhouse, Mėsinių str. 4, Vilnius
