

CONFERENCE CALENDAR 2018/2019

Forthcoming conferences where TransFERR results could be presented

Event	Date
VII Republican Scientific Conference of Students and Graduate Students "Current problems of physics and technology", Gomel, Belarus (FSGSU) *	2018, April 25
REMAT 2018 – 5 th International Conference on Rare Earth Materials, Wroclaw, Poland (ILTSR PAS) *	2018, May 16-18
CIMTEC 2018, 14 th Ceramics Congress, Perugia, Italy	2018, June 04-08
ECCM 6 – 6 th European Conference on Computational Mechanics (Solids, Structures and Coupled Problems), Glasgow, United Kingdom	2018, June 06-15
Summer Workshop "Niskie Łąki" – for students, Wroclaw, Poland (ILTSR PAS) *	2018, July 02-06
ISMANAM 2018 – 25th International Symposium on Metastable, Amorphous and Nanostructured Materials, Rome, Italy	2018, July 02-06
XVI Electroceramics, Hasselt, Belgium	2018, July 09-12
ICE 2018 – 20th International Conference on Electroceramics, London, United Kingdom	2018, August 20-21
NANO-2018 – International conference "Nanotechnology and nanomaterials", Kiev, Ukraine (IOP) *	2018, August 27- 30
20 th International Conference School "Advanced Materials and Technologies", Palanga, Lithuania (VU) *	2018, August 27-31
JEMS 2018 - 9th Joint European Magnetic Symposia, Mainz, Germany	2018, September 3-7
Conference "Actual problems of solid state physics", Minsk, Belarus (SPMRC) *	2018, September 24-28
4th International Conference „OXYGENALIA 2018“, Vilnius, Lithuania (VU) *	2018, October 11-13
ECOBALT 2018, International Conference, Vilnius, Lithuania	2018, October 25-27
Semana Aberta da Ciência e Tecnologia (Open Week of Science and Technology), Aveiro, Portugal (UA) *	2018, November 21-25
Ukrainian-Polish seminar "New Horizons of Liquid Crystals and Colloid Science", Kiev, Ukraine	2018, December
Photoptics, 7 th International Conference on Photonics, Optics and Laser Technology, Prague, Czech Republic	2019, February 25-27

ESTE 2019, 7th International Conference on Excited States of Transitions Elements (ILTSR PAS) * **2019, August**

ICMS 2019, XV International Conference on Molecular Spectroscopy, Wrocław, Poland (ILTSR PAS) * **2019, September**

Physics of Magnetism, Poznań, Poland **2020**

CIMTEC 2020, 15th Ceramics Congress **2020**

* Conferences organized by Consortium Partners

The TransFerr project has received funding from the European Union's Horizon 2020 research and innovation programme under the Marie Skłodowska-Curie grant agreement No. 778070.
